Outlet Adapter Track Accessory
EP814
Installation Instructions

WARNING:
Risk of electric shock. Before installation, disconnect power to the luminaire. Failure to do so may result in electric shock and lead to injury or death.
Risque de choc électrique. Avant l'installation, débranchez l'alimentation au luminaire. Ne pas le faire peut entraîner un choc électrique et entraîner des blessures, voire la mort.

CAUTION:
For your safety, read and understand instructions completely prior to installation. Installation requires knowledge of luminaires electrical system. If not qualified, DO NOT attempt installation. Contact a qualified electrician if necessary.
Pour votre sécurité, lisez et comprenez entièrement les instructions avant l'installation. L'installation nécessite une connaissance du système électrique des luminaires. Si vous n'êtes pas qualifié, NE PAS tenter l'installation. Contactez un électricien qualifié si nécessaire.

NOTE: Before beginning the installation, carefully unpack and identify all parts. **Save these instructions as you may need them at a later date.**

To install the Adaptor to the track (See Fig 1.):

1. Insert connector into track as shown. (See Fig 1)
2. 2. Twist 90 degree until connector locks into place. If Adaptor does not turn easily, twist in opposite direction.
   CAUTION: Forcing the Adaptor in the wrong way could cause damage.
3. After assembly,ground conductor on the Adaptor and ground conductor on the track should be on the same side for proper installation.
4. Plug in (See Fig 3)
   To remove the Adaptor from the track, depress the lock tab and twist 90° to release the connector from the track.
